

1. **Event Name:** A Prowler Invades the Campus

Keywords: #Prowler #Struggle #Violence #Raincoat #Helmet

Incident Description:

An unidentified man, wearing a raincoat and a helmet, entered the campus and engaged in inappropriate behavior towards a female student. The man attempted physical contact with the student and even tugged at her clothing, exhibiting violent behavior during the process. His actions included intentionally approaching the +female student, pulling at her clothing, and attempting to restrict her movement—severe violations that threaten personal safety.

Given that the suspect was wearing protective attire (raincoat and helmet) and displayed aggressive behavior, initial assessments suggest that the man poses a potential danger and could threaten the safety of other staff and students on campus.

Response Measures:

- (1) Subdue the suspect.
- (2) Report the incident to the police.
- (3) Implement campus-wide safety education initiatives.
- (4) Provide counseling and support for the affected female student.

2. **Event Name:** Campus Intrusion

Keywords: #Theft #Indecency #SexualHarassment #EarlyMorning

Incident Description:

A male alumnus broke into a high school and committed indecent acts involving a female student's personal belongings. The man randomly went to an area outside a classroom, stole a female student's shoe, performed an indecent act on the shoe, left bodily fluids on it, and then returned it to the locker.

The suspect's actions, including theft and indecency, constitute serious violations of personal safety. Preliminary assessments suggest that the individual poses a potential danger and may threaten the safety of other students and staff.

Response Measures:

- (1) Call the police
- (2) Strengthen patrols

3. **Event Name:** Suspicious individual

Keywords: #Stalking #Loitering #Staring

Incident Description:

An unidentified man wearing a black jacket and pants entered the campus and engaged in inappropriate behavior towards students. He follows and closely approaches faculty and students, staring at students uncomfortably. Based on an initial assessment, the man poses a potential danger and may threaten the safety of other students and staff.

Response Measures:

- (1) The school establishes communication channels.
- (2) Strengthen patrols.

5. **Event Name:** School Shooting at Abundant Life Christian School

Keywords: #SchoolShooting #GunViolence #StudentShooter #MadisonWI

Incident Description:

At Abundant Life Christian School in Madison, Wisconsin, a 15-year-old female student, Natalie "Samantha" Rupnow, opened fire in a study hall, resulting in the deaths of a 14-year-old student, Rubi Patricia Vergara, and a 42-year-old substitute teacher, Erin M. West. Six other students were injured, two critically. Rupnow, armed with two handguns, then died from a self-inflicted gunshot wound. Authorities are investigating her motives, including potential online influences and communications with individuals planning separate attacks.

Response Measures:

- (1) Emergency Response: Immediate police intervention and medical assistance were provided to the victims.
- (2) Investigation: Law enforcement agencies, including the FBI, are conducting a thorough investigation into the shooter's background, motives, and potential accomplices.
- (3) Investigation: Law enforcement agencies, including the FBI, are conducting a thorough investigation into the shooter's background, motives, and potential accomplices.
- (4) Security Review: The school is reviewing its security protocols to prevent future incidents.

6. **Event Name:** Campus Violence Incident

Keywords: #CampusViolence #ParentInvolvement #StudentConflict

Incident Description:

In Yunlin County, two elementary school students had a conflict inside a classroom. A male student kicked a female classmate multiple times in the abdomen and pushed her to the ground. The girl later reported the incident to her parents.

The next morning, during school hours, the girl's father entered the campus, shouted at the male student, and punched him in the abdomen. This resulted in the boy suffering a left abdominal contusion and hematuria (blood in urine).

Response Measures:

- (1) Immediate Action: The school staff promptly escorted the father to the office and informed the injured student's parents. A campus safety report was filed in accordance with regulations.
- (2) Medical Assistance: The injured boy was taken to the hospital by his parents for examination, where he was diagnosed with abdominal contusion and hematuria.
- (3) Parent Mediation: The school facilitated a meeting between both students' parents to clarify the facts and seek reconciliation. Both parties reached an agreement.
- (4) Counseling Support: The school initiated counseling for the involved students and strengthened campus safety protocols, including strict access control for people and vehicles.
- (5) Education Department Intervention: The Yunlin County Education Department's counseling center intervened to support the school in providing student counseling and ensuring enhanced campus safety measures

7. **Event Name:** Campus Violence Incident

Keywords: #UtilityKnife #Pulling #NeckAttack #StudentConflict

Incident Description:

Two students in a junior high school in New Taipei City had an argument in the hallway. One student attacked the other's neck with a utility knife, causing severe injuries and leaving the victim in critical condition.

Response Measures:

- (1) **Police Intervention:** The school immediately reported the incident to the police. Authorities quickly arrived at the scene, controlled the situation, and detained the suspect for investigation.
- (2) **Medical Assistance:** The injured student was rushed to the hospital for emergency treatment and remains in critical condition.
- (3) **Psychological Counseling:** The school provided psychological counseling for students and staff who witnessed the incident to help them cope with the trauma.

8. **Event Name:** Junior High School Student Fatally Stabbed by Classmate

Keywords: #Stabbing #StudentDeath #CampusViolence

Incident Description:

A 15-year-old male student at a junior high school in New Taipei City was fatally stabbed by a classmate with a switchblade during an altercation. The victim sustained multiple stab wounds and was pronounced dead after being transported to the hospital.

Response Measures:

- (1) **Immediate Medical Attention:** The injured student received prompt medical treatment but unfortunately succumbed to his injuries.
- (2) **Police Investigation:** Law enforcement authorities arrested the assailant and initiated a comprehensive investigation into the incident.
- (3) **School Safety Review:** The Ministry of Education and school officials conducted a thorough review of campus safety protocols to prevent future incidents.

9. **Event Name:** Attempted Murder Convict Escapes Psychiatric Hospital, Schools Closed

Keywords: #EscapedConvict #SchoolLockdown #PublicSafety

Incident Description:

In May 2024, a man convicted of attempted murder escaped from a psychiatric hospital in Keelung. In response, schools in Keelung and four districts in New Taipei City were closed to the public as a precautionary measure to ensure the safety of students and staff.

Response Measures:

- (1) School Closures: Educational institutions in the affected areas were temporarily closed to prevent any potential threat to students and staff.
- (2) Police Search: Law enforcement agencies launched a manhunt to apprehend the escaped individual.
- (3) Public Alerts: Authorities issued warnings to the public, advising caution and vigilance until the individual was captured.
- (4) Security Assessments: Schools conducted security assessments to identify and address any vulnerabilities.

10. **Event Name:** Elementary School Girl Fatally Attacked by Intruder

Keywords: #CampusIntrusion #FatalAttack #ElementarySchool

Incident Description:

On May 29, 2015, an intruder entered Wenhua Elementary School in Taipei's Beitou District and fatally attacked an 8-year-old girl in a restroom. The assailant, a 29-year-old man, was apprehended by the police shortly after the incident.

Response Measures:

- (1) Immediate Medical Attention: The victim was rushed to the hospital but unfortunately succumbed to her injuries.
- (2) Police Intervention: The perpetrator was arrested on-site and faced legal proceedings.
- (3) Security Overhaul: The incident prompted a nationwide review of school security measures, leading to the implementation of stricter access controls and surveillance systems in educational institutions.
- (4) Counseling Services: Psychological support was provided to students, staff, and the victim's family to help them cope with the trauma.

11. Event Name: Male Teacher Assaults Female Colleague on Campus

Keywords: #CampusAssault #TeacherMisconduct #WeaponAttack

Incident Description:

In late June 2024, at a junior high school in Xiaogang District, Kaohsiung, a male teacher attacked a female colleague in the school's basement parking lot. The assailant, reportedly dissatisfied with their recent breakup, used two firearms and an electric shock device during the assault. The female teacher sustained multiple bruises but managed to escape serious injury.

Response Measures:

- (1) Immediate Police Intervention: Law enforcement officers promptly arrived at the scene, apprehending the male teacher and confiscating the weapons involved.
- (2) Medical Attention: The victim received medical evaluation and treatment for her injuries.
- (3) Employment Termination: The school convened a review meeting and decided not to renew the male teacher's contract, effectively terminating his employment.
- (4) Legal Proceedings: The male teacher was detained and is currently under investigation for assault and weapons violations.
- (5) Counseling Services: Support and counseling were offered to the affected teacher and other staff members to address any psychological impact resulting from the incident.

12. **Event Name:** Apalachee High School Shooting

Keywords: #SchoolShooting #GunViolence #StudentShooter

Incident Description:

On the morning of September 4, 2024, 14-year-old Colt Gray entered Apalachee High School armed with an AR-15 rifle. He opened fire in a classroom, tragically killing two mathematics teachers and two 14-year-old students, and injuring nine others, including eight students and one teacher. Investigations revealed that Gray had previously been questioned by the FBI due to online threats about a potential school attack but was not detained at that time due to a lack of concrete evidence.

Response Measures:

- (1) Law Enforcement Action: Gray was apprehended at the scene and is facing murder charges. He is being prosecuted as an adult in the criminal justice system.
- (2) Medical Assistance: Emergency services provided immediate medical attention to the injured, who were transported to local hospitals for treatment.
- (3) Community Support: In the aftermath of the shooting, the local community held vigils to mourn the victims and support the affected families.
- (4) Policy Discussion: The incident has reignited debates over gun control laws and school safety measures in the United States.

13. **Event Name:** 12-Year-Old Boy Stabs Six Students in Portuguese School

Keywords: #SchoolStabbing #YouthViolence #Portugal

Incident Description:

On September 18, 2024, in Azambuja, Portugal, a 12-year-old seventh-grade student returned to school after lunch wearing his father's bulletproof vest and attacked classmates with a knife in a classroom. Six students, aged between 11 and 14, were injured. A school assistant intervened to stop the attack.

Response Measures:

- (1) Immediate Medical Attention: The injured students received prompt medical care. One boy with chest injuries was transported to a Lisbon hospital and is in stable condition; a 12-year-old girl with chest and head injuries is also receiving treatment. The other five students sustained minor arm injuries.
- (2) Police Intervention: The assailant was detained by local authorities, and an investigation is underway to determine the motive and circumstances of the attack.
- (3) Government Response: Portuguese Prime Minister Luís Montenegro condemned the rare act of school violence, expressing thoughts for the injured children and emphasizing the need for vigilance in public spaces.
- (4) Community Support: Counseling services are being provided to students, staff, and families affected by the incident to address psychological trauma.

14. **Event Name:** 13-Year-Old Student Fatally Stabbed by Classmate in Bangkok

Keywords: #SchoolStabbing #StudentDeath #Bangkok

Incident Description:

On January 29, 2024, during a morning assembly at a secondary school in Suan Luang District, Bangkok, a 13-year-old student was fatally attacked by a classmate wielding a fruit knife. The victim sustained multiple stab wounds to the neck and abdomen and was pronounced dead after being transported to a hospital. The attack occurred in full view of students and teachers attending the assembly.

Response Measures:

- (1) Immediate Intervention: Teachers and security personnel swiftly subdued the assailant following the attack.
- (2) Medical Assistance: The injured student received prompt medical attention but unfortunately succumbed to the injuries.
- (3) Police Investigation: Local authorities detained the perpetrator and initiated an investigation to determine the motive behind the attack and how the weapon was brought into the school.
- (4) School Safety Review: The incident prompted a review of security protocols, including the enforcement of checks to prevent students from bringing dangerous items onto campus.
- (5) Counseling Services: Support was provided to students and staff who witnessed the incident to address psychological trauma.

15. **Event Name:** Unauthorized Intruder Assaults Students on University Campus

Keywords: #CampusIntrusion #Assault #StudentSafety

Incident Description:

On December 7, 2023, at approximately 6:00 PM, a man surnamed Wang unlawfully entered a university campus in Taoyuan City. He assaulted four students by slapping their buttocks and engaging in aggressive behavior. The incidents occurred near the on-campus convenience store and the administrative building. Wang was eventually subdued by male students and campus security personnel.

Response Measures:

- (1) Immediate Intervention: Campus security and students promptly apprehended the intruder, preventing further assaults.
- (2) Law Enforcement Involvement: The suspect was handed over to the local police for investigation and potential charges.
- (3) Security Assessment: The university acknowledged the lack of surveillance cameras in certain areas where the incidents occurred and has committed to installing additional cameras and enhancing security patrols to strengthen campus safety.
- (4) Support for Victims: The university is providing assistance and counseling services to the affected students to address any psychological impact resulting from the assaults.

16. Event Name: 16-Year-Old Attacks Two Schools in Brazil, Resulting in Multiple Casualties

Keywords: #SchoolShooting #Brazil #TeenageAssailant

Incident Description:

On November 25, 2022, in Espírito Santo, Brazil, a 16-year-old male assailant carried out attacks on two educational institutions. Dressed in military attire and wearing a swastika emblem, he first targeted the Primo Bitti State School, fatally shooting two teachers. He then proceeded to a nearby private school, where he continued his assault, resulting in additional casualties. The attacks led to at least three deaths and eleven injuries.

Response Measures:

- (1) Law Enforcement Action: The suspect was apprehended by authorities later that afternoon. Investigations revealed that the firearms and vehicle used in the attacks belonged to his father, a military police officer.
- (2) Medical Assistance: Emergency services provided immediate care to the injured, who were transported to local hospitals for treatment.
- (3) Government Response: The Governor of Espírito Santo declared three days of mourning and emphasized the need for stricter regulations to prevent such tragedies.
- (4) Community Support: Counseling services were made available to students, staff, and families affected by the incident to address psychological trauma.

17. Event Name: 14-Year-Old Female Student Carries Out School Shooting in Russia

Keywords: #SchoolShooting #Russia #TeenageAssailant

Incident Description:

On December 7, 2023, in Bryansk, Russia, a 14-year-old female student entered her school armed with a shotgun and a knife. She attacked her classmates, resulting in two fatalities, including herself, and five injuries. The school's metal detectors were reportedly malfunctioning, allowing her to bring the weapons onto campus undetected.

Response Measures:

- (1) Immediate Intervention: Teachers and staff responded swiftly to the incident, securing the area and providing first aid to the injured until emergency services arrived.
- (2) Law Enforcement Action: Authorities detained the girl's father for questioning, as the firearms used were believed to be his.
- (3) Medical Assistance: The injured students received prompt medical attention and were transported to local hospitals for further treatment.
- (4) Security Review: The incident prompted a review of school security measures, particularly the functionality of metal detectors and protocols for monitoring student behavior.
- (5) Counseling Services: Psychological support was offered to students, staff, and families affected by the tragedy to help them cope with the trauma.
