

Scenario 1:

Event name: Arrest

Safety concerns: High

Why:

- Suspect may violently resist or attempt to escape
- Possible accomplices in the vicinity
- Law enforcement may need to use force, potentially endangering bystanders
- Weapons or illegal items may be present

Scenario 2:

Event name: Arson

Safety concerns: Extreme

Why:

- Rapid fire spread can cause mass casualties
- Toxic smoke causes breathing difficulties and poor visibility
- Risk of building collapse
- Potential for explosions
- Arsonist may still be at the scene

Scenario 3:

Event name: Burglary

Safety concerns: Medium-High

Why:

- Burglar may be armed
- Potential for violent confrontation if encountered
- Multiple perpetrators may be involved
- Risk of property damage and loss

Scenario 4:

Event name: Fighting

Safety concerns: High

Why:

- Direct physical safety threat
- Weapons or dangerous objects may be used
- Bystanders could be caught in the crossfire
- Fight could escalate or expand

Scenario 5:

Event name: Road accident

Safety concerns: High

Why:

- Risk of secondary collisions
- Potential vehicle fire or explosion
- Hazardous materials or debris on road
- Immediate medical attention needed for victims

Scenario 6:

Event name: Robbery

Safety concerns: Extreme

Why:

- Perpetrators typically armed
- Life-threatening situation for hostages
- High potential for violence
- Unstable emotional state of perpetrators

Scenario 7:

Event name: Shooting

Safety concerns: Extreme

Why:

- Firearms are lethal weapons
- Stray bullets can harm innocent bystanders
- Multiple shooters may be involved
- Risk of panic and stampede

Scenario 8:

Event name: Stealing

Safety concerns: Medium

Why:

- Thief may resist if discovered
- Accomplices may be nearby
- Risk of property loss
- Lower risk of direct physical harm compared to other scenarios
